

Usage of Social Media

MANTHRI BALA KIRAN

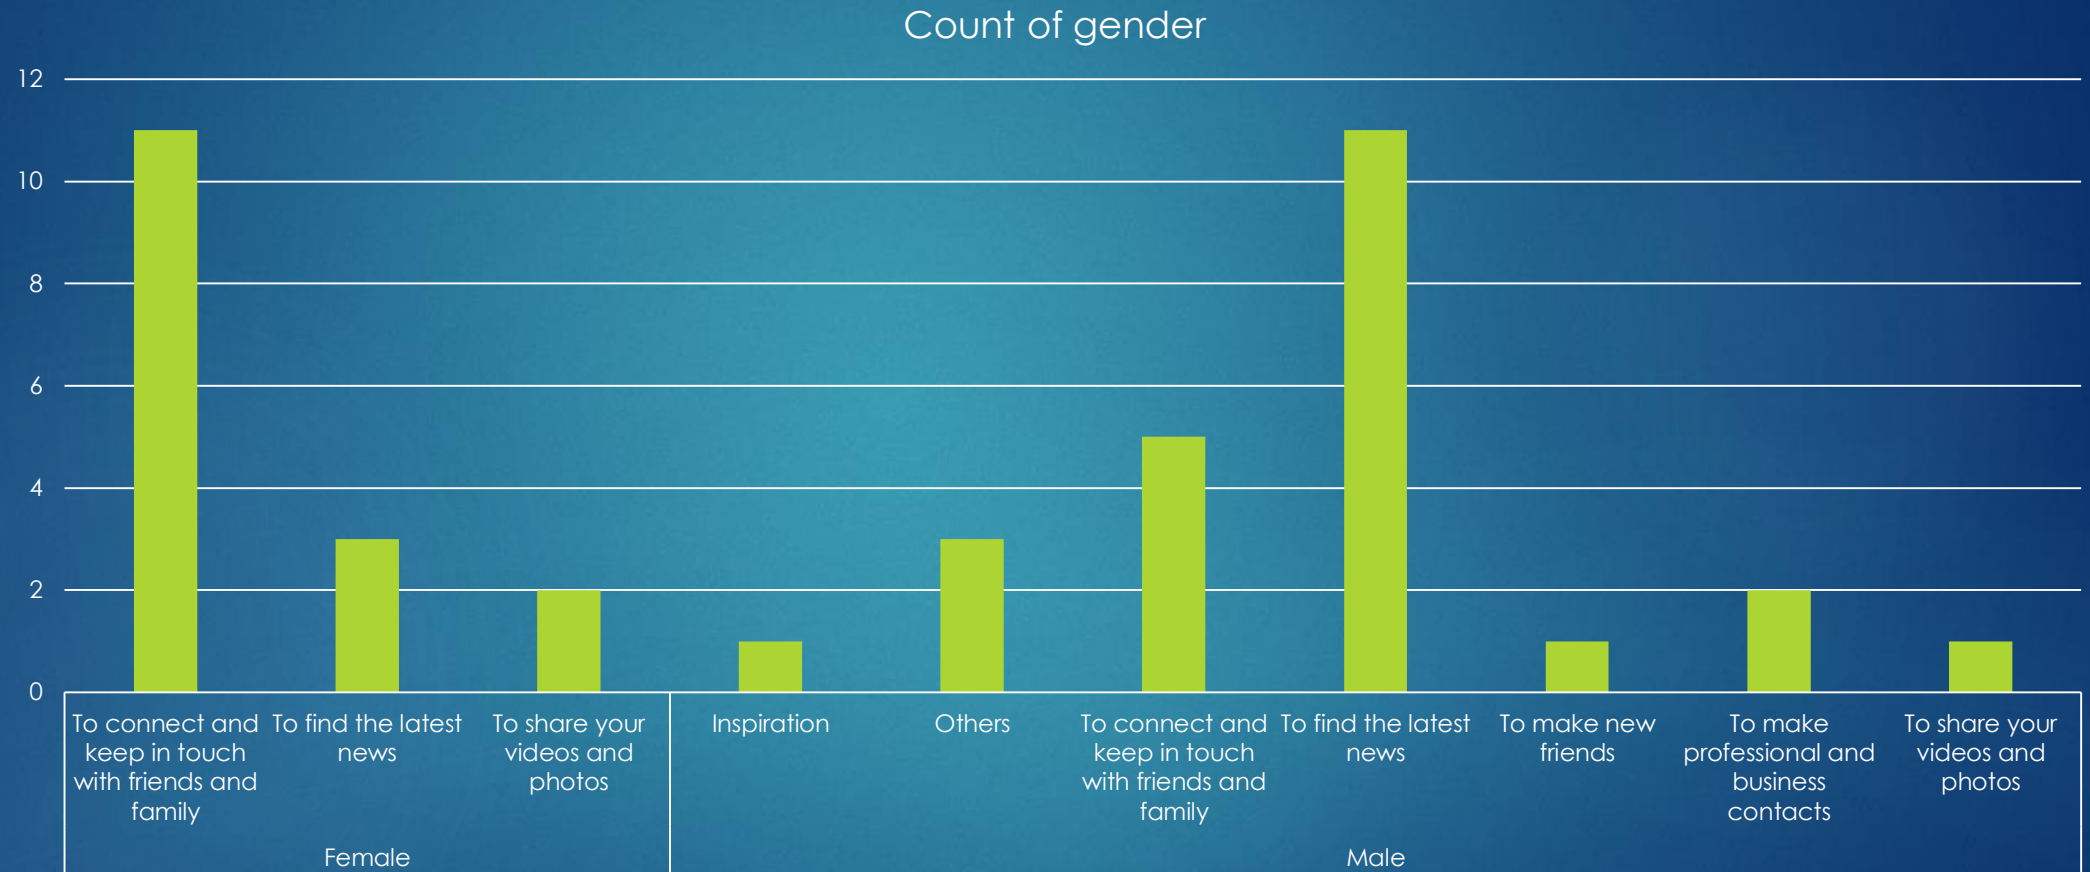

Aim:

- ▶ I would like to investigate, how much time would people spending on the social media.
- ▶ Want to know how people would be using social media (Reasons).

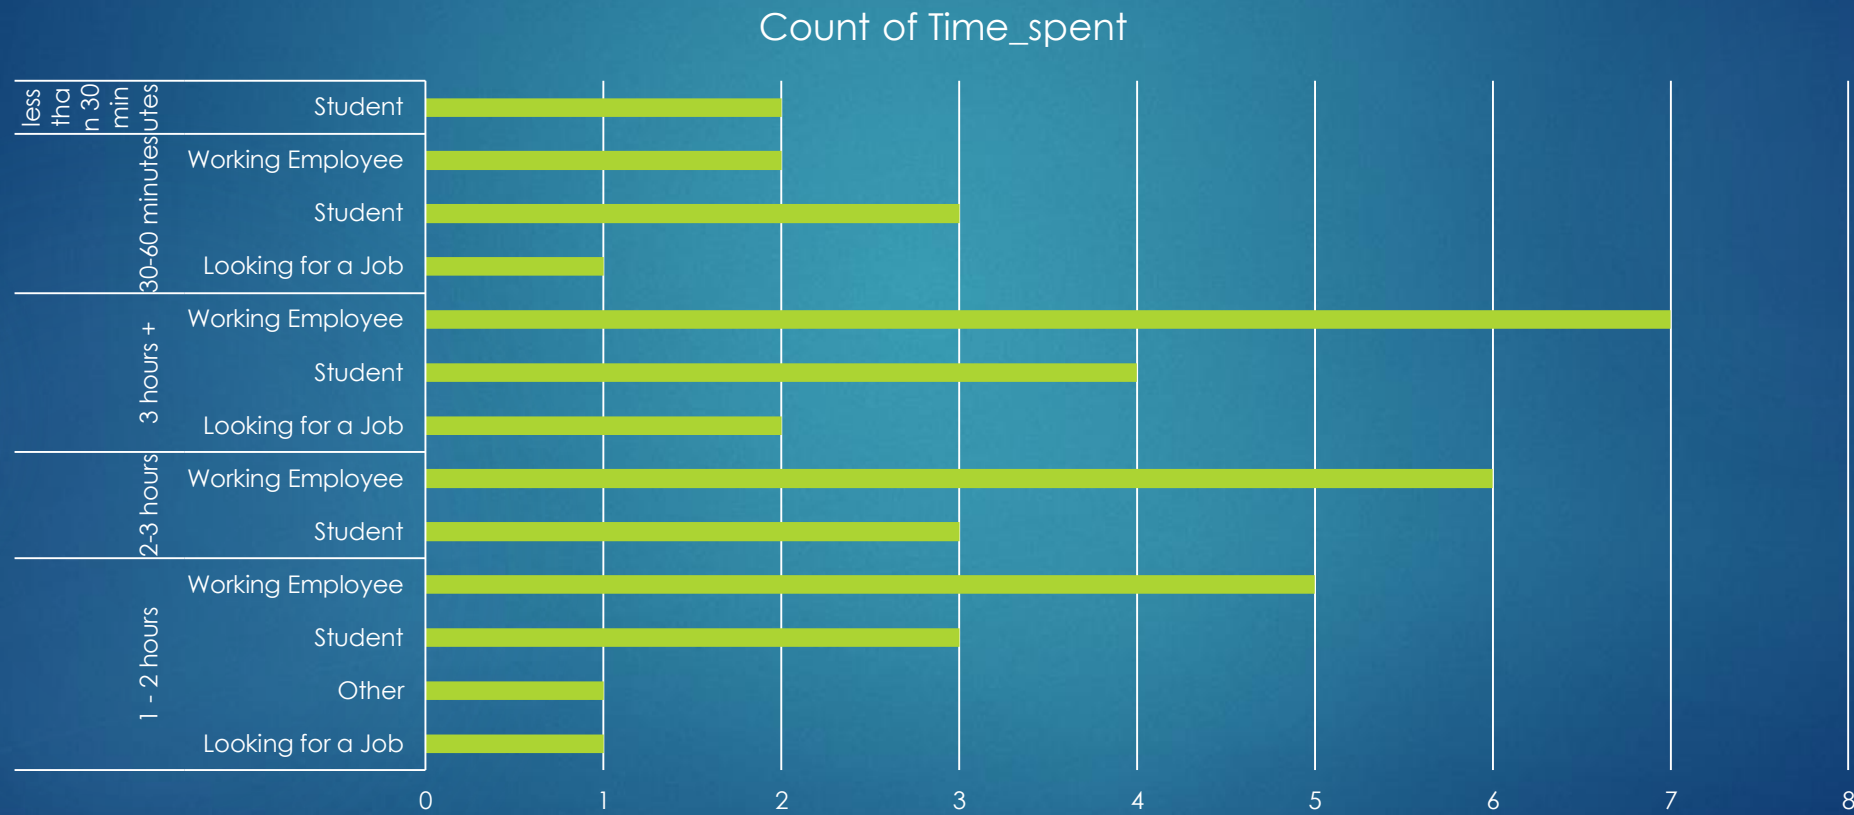

Data Collection:

- ▶ I have collected my data using a survey which has been created on the google forms.
- ▶ I have selected my population of people and shared them with my survey link.

Results:

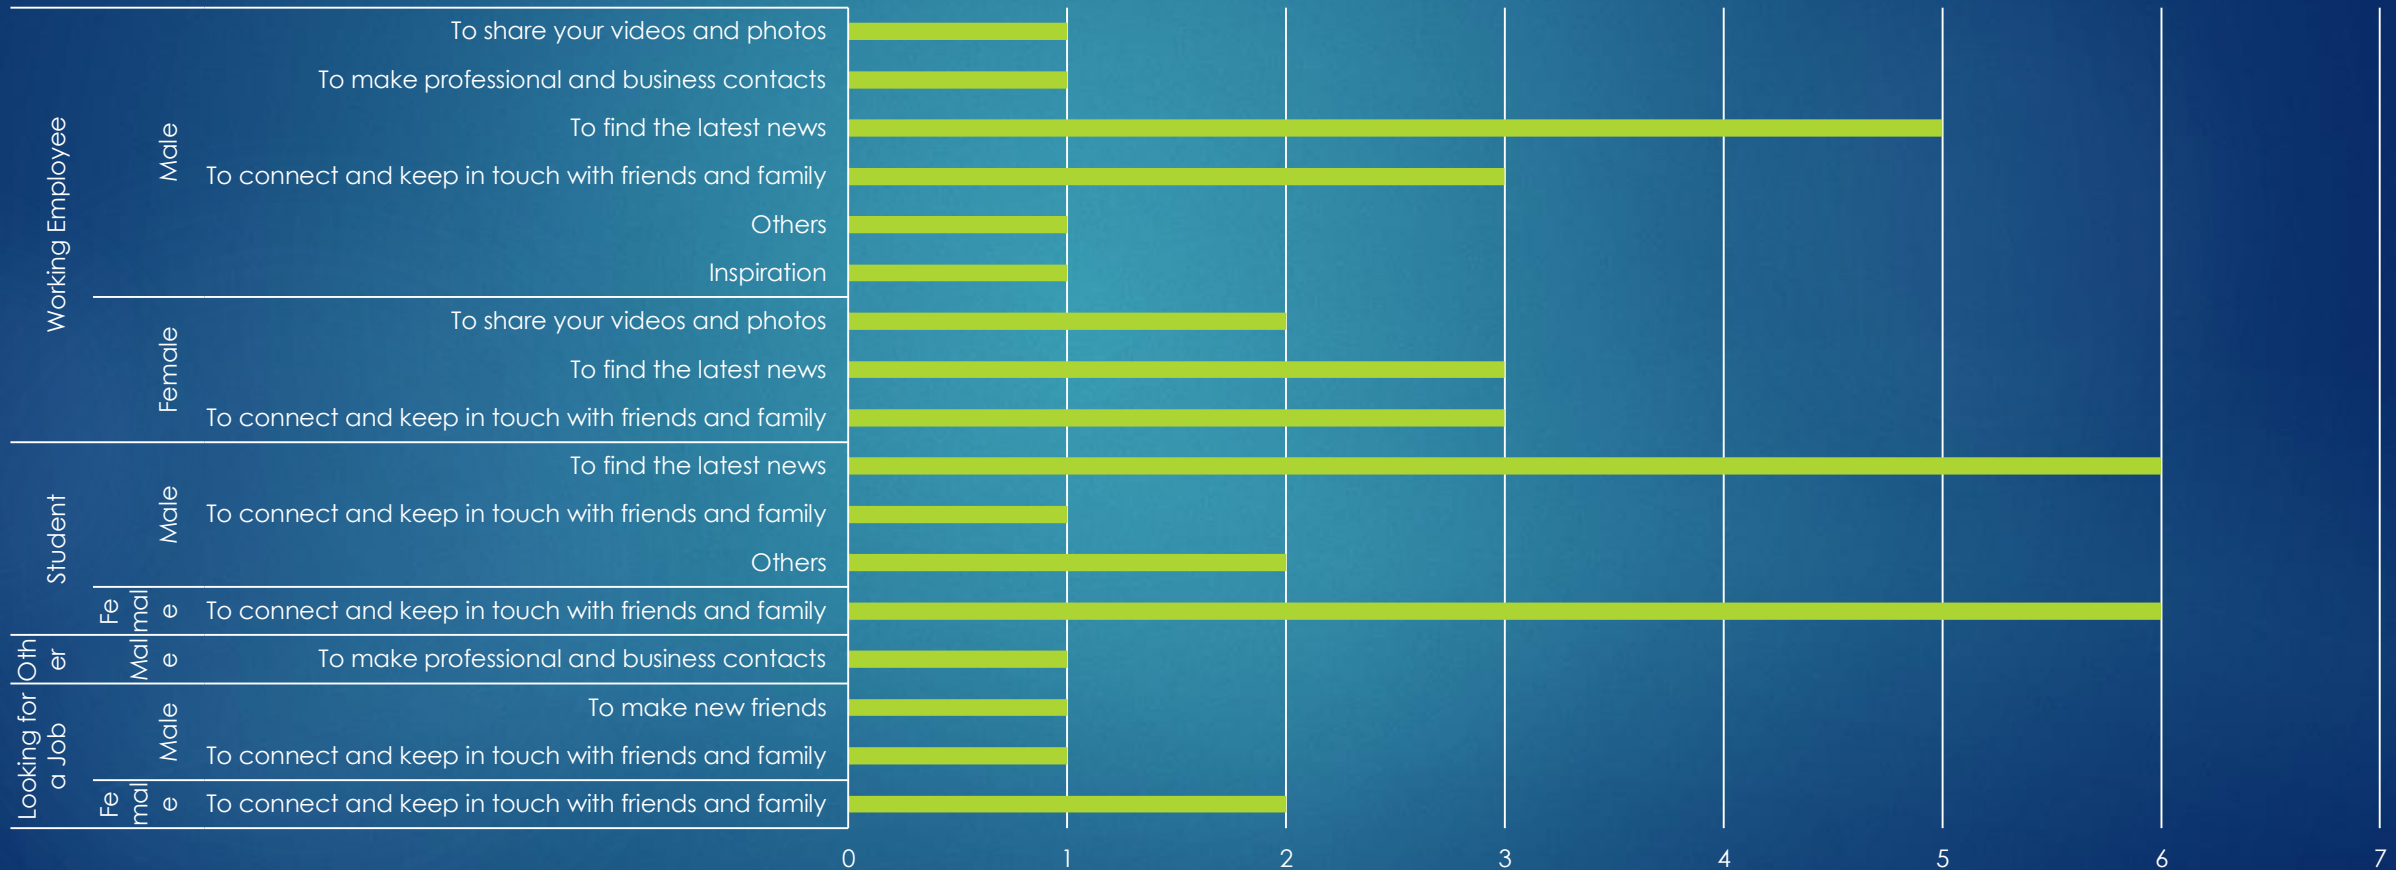

Time Spent on social media:

Reasons to use social media:

Count of profession

Conclusions:

- ▶ My research would be explaining how people would be related to social media and how they have been affected by the social media and their usage of social media. I can say how social media has been influenced people in their daily life based on the time they spend on the social media.

Personal Learning:

- ▶ Knowing how people got addicted to social media
- ▶ How it is been influenced to buy something
- ▶ How it is leading to disappointing

Making me to Limit my usage on social media.

THANK YOU
